

# Crafting My Faith Story

Watch the "Story" video at <https://vimeo.com/301751899>.

Then write your own faith story.

## **Creation:**

(Who are you? Where did you come from? What was your life like? How did you view God?)

## **Crisis**

(Why did you become open to the good news of Jesus? What was happening in your life?)

## **Redemption**

(How did God work in your story? What did your introduction and surrendering to Jesus look like?)

## **Restoration:**

(What is Jesus doing in your life right now? How is your life different than it would have been without Jesus? What Good News are you experiencing because of Jesus?)
